### Stand design/construction information

#### a) Stand design

No plan approval from MunichExpo Veranstaltungs GmbH (MEV) is necessary given compliance with the following requirements:

- stand and/or advertising structures no higher than 3m
- stand area no larger than 100 m<sup>2</sup>
- stand is without covering

Any stand concepts in non-compliance with the aforementioned requirements are to be submitted for approval to Messe München GmbH's Technical Exhibition Services Division together with to-scale stand design plans (ground plan, elevations and sectional drawings) by email, as pdf-file or per mail, six weeks prior to the commencement of the official stand assembly period at the latest. Please ensure you comply with the provisions set out in form 1.2 "Application for Preventive Fire Protection Measures" and form 1.3 "Application for Special Stand Designs" as well as with the Technical Guidelines of Messe München GmbH.

#### b) Stand assembly

We have hired the following exhibition stand builder (please be sure to complete this section):
